

# FRESH THINKING ON THE NEWEST ADVANCES STARTS HERE

## SEMINAR OVERVIEW

This seminar series will provide updates on the diagnosis and treatment of the dominant forms of viral hepatitis and explore the latest data on advancing liver PBC, Steatotic Liver Disease and other hepatic conditions.

Faculty experts will deliver state-of-the-art material utilizing a curriculum that features lectures, case analysis, current clinical trial outcomes and progress reports on promising prevention approaches and emerging therapies.

Available in **two formats**, the content may be explored as both a **live, face-to-face seminar or a web-based, self-paced Enduring Material**. It is even possible to combine the two modalities. Either way, the goal of this CME activity is to limit future cases and improve the outcomes of those already infected.

## WHY YOU SHOULD ATTEND

- ▶ **UPDATE** your clinical knowledge with expert faculty and internationally recognized studies
- ▶ **VALIDATE** your clinical decision processes and patient care approaches
- ▶ **COLLABORATE** with local colleagues to discuss new diagnostic and treatment options

**SEPTEMBER 7**  
Atlanta, GA  
AC Hotel Buckhead at Phipps Plaza

Anand S. Shah, MD  
Atlanta VA Medical Center  
Lance Stein, MD  
Piedmont Atlanta Hospital

**SEPTEMBER 21**  
Cincinnati, OH  
Graduate Hotel-Cincinnati

Naga Chalasani, MD  
Indiana University School of Medicine  
Marwan Ghabril, MD

PREVENTION & THERAPIES FOR  
HEPATITIS AND  
CHRONIC LIVER  
DISEASE

An evidence-based hybrid seminar series.

Available as a live, in person seminar or a web-based learning activity.

# 2024 PREVENTION & THERAPIES FOR HEPATITIS AND CHRONIC LIVER DISEASE

An evidence-based, hybrid seminar series focused on Viral Hepatitis, ESLD, HCC, PBC and NASH

**Information & Registration**  
<https://bit.ly/hepandCLD24>

## NEW FOR THE 2024 SEMINAR SERIES

- ▶ Innovative agents and immunotherapies for hepatocellular carcinoma.
- ▶ Clinical trial outcomes for Primary Biliary Cholangitis.
- ▶ The growing number of Alcohol-associated liver disease cases and innovative treatment options.
- ▶ Breaking news and treatment approaches for SLD (formerly NAFLD and NASH).
- ▶ The latest updates and scientific breakthroughs from EASL, DDW and AASLD meetings.
- ▶ An updated **Hybrid Delivery Platform** that utilizes live, F-2-F Presentations and/or Web-based lectures to optimize Learning outcomes and Time efficiency.

# ENHANCE YOUR

## Knowledge | Competence | Confidence

### PROGRAM HIGHLIGHTS

The seminar topics are presented in live presentations and supplemented by multi-media pre and post-course assignments. This allows us to make the most of our time together for group discussion, case analysis and patient management approaches.

- ▶ HCV diagnosis and treatment updates
- ▶ Epidemiology of Hepatitis B and the best anti-viral therapies
- ▶ The growing incidence of Delta Hepatitis and its relationship to HBV
- ▶ Clinical cases to explore End-stage Liver Disease and transplant options
- ▶ New and emerging therapies showing promise for the treatment of Hepatocellular Carcinoma
- ▶ Alcohol-associated liver disease
- ▶ Diagnosing and treating Hepatorenal Syndrome, Hepatic Encephalopathy, and Thrombocytopenia
- ▶ The explosion in Fatty Liver Disease: A dangerous step on the pathway toward Cirrhosis and HCC
- ▶ Promising clinical trial data on MASLD and MASH treatment
- ▶ Caring for liver patients in special populations and circumstances
- ▶ **Earn up to 10 Category 1 CME Credits™ while only spending a day in the classroom.** The seminar runs from 8:00am to 4:30pm.
- ▶ **For more seminar details, go to <https://bit.ly/hepandCLD24> or scan and click the QR code.**

### COURSE DIRECTOR

**Paul Pockros, MD, FAASLD, FACG**

Director, Liver Disease Center, Scripps Clinic  
Medical Director, SC Liver Research Consortium

**This seminar is also available as a self-paced, Web-based learning activity that has all the content of the live event and a faculty of national experts.**

**Engage in the seminar at a convenient time and place.**

### WHO SHOULD ATTEND?

This program was developed for Gastroenterologists, Internists, Hepatologists, Endocrinologists, and Family Physicians as well as Advanced-practice Providers, Clinical Pharmacists and Nurse Specialists.

### Information & Registration

<https://bit.ly/hepandCLD24>

### REGISTRATION INFORMATION

	Live Seminar Early Registration	Live Seminar Regular Registration	Enduring Material
Physicians, Clinical Pharmacists and Administrators	\$175	\$200	\$145
Nurses, Nurse Practitioners and Physician Assistants	\$95	\$115	\$75
Medical Residents and Fellows	\$75	\$85	\$60

**To Register & For More Information: <https://bit.ly/hepandCLD24>**

*Please call SC Liver Research Consortium at (253) 432-4023 for content questions.*

**Early Registration** ends Wednesday prior to program date.

**Regular Registration** begins Thursday prior to program date.

**Cancellation Policy:** Requests for cancellation must be submitted to [cmepd@louisville.edu](mailto:cmepd@louisville.edu) at least seven (7) days prior to the program. Such requests will receive a full refund less a \$20 processing fee.

### DISCLOSURE

#### Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with ACCME Accreditation Standards for Commercial Support. At the time this brochure was developed, a complete listing of commercial supporters is not available. Appropriate acknowledgment will be given to all supporters at the time of the educational activity.

#### Faculty Disclosure

In accordance with the ACCME Standards for Commercial Support, course directors, planning committees, faculty and all others in control of the educational content of the CME activity must disclose all financial relationships with any ineligible company that they or their spouse/partner may have had within the past 12 months. Disclosure will be made to all participants at the conference location, prior to the commencement of the educational activity.

### ACCREDITATION

#### Joint Provider Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Louisville School of Medicine and SC Liver Research Consortium. The University of Louisville School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

### DESIGNATION STATEMENT

**Physicians (MD/DO)** - The University of Louisville School of Medicine designates this live activity for a maximum of **10.0 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses** - This program has been approved by the Kentucky Board of Nursing for 12.1 continuing education credits through University of Louisville Hospital. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

**Nurse Practitioners & Physician Assistants** - AANP and AAPA accepts **AMA PRA Category 1 Credit(s)™** from organizations accredited by ACCME for transfer credit for nurse practitioners and physician assistants.

### SPONSORS

The mission of the University of Louisville Continuing Medical Education and Professional Development program is to facilitate the needs of physicians and other healthcare team members as they seek self-improvement through life-long learning. For more information visit <http://louisville.edu/medicine/cme>.

**The SC Liver Research Consortium (SCLRC)** is an organization of physicians specializing in hepatology and gastroenterology clinical research. SCLRC's mission is to team research sponsors and SCLRC's over 90 research sites together to provide faster, higher-quality research results compared to the current "conventional" sponsor-site arrangement. For more information visit [www.scliver.com](http://www.scliver.com).
