Chronic Liver Disease seminars

Improve Knowledge, Confidence, and Competence with New 2025 Curricula

OVERVIEW

This seminar series will provide updates on the diagnosis and treatment of the dominant forms of viral hepatitis and explore the latest data on advancing liver disease, hepatocellular carcinoma, fatty liver disease, and other hepatic conditions.

The seminar is available in **two formats, a live, face-to-face seminar or a web-based, self-paced enduring material**. It is even possible to combine the two modalities.

WHO SHOULD ATTEND?

This program was specifically developed for Gastroenterologists, Internists, Hepatologists, Endocrinologists, and Family Physicians as well as Advanced-practice Providers, Clinical Pharmacists, and Nurse Specialists.

PROGRAM HIGHLIGHTS

This seminar series focuses on the key challenges of: diagnosis and treatment of chronic liver disease, current and emerging pharmaceutical and surgical therapies, and the biggest highlights from EASL and AASLD.

KEY TOPICS AND CLINICAL CASES ON:

- ▶ Hepatitis elimination strategies and care for special populations
- ▶ New systemic treatment approaches for live cancer
- ▶ Prevention and treatment for Alcohol-associated liver disease
- ▶ Breakthroughs in cholestatic liver disease and pruritus
- ▶ MASLD and MASH - the global explosion in fatty liver disease

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Colorado Medical Society and SC Liver Research Consortium. Colorado Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION

Physicians (MD/DO) - The Colorado Medical Society designates this live activity for a maximum of **10.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
